Dear Darline Donald

Well darling it is
near again Summer, baby I
am going to really miss
you, you are what they
call a real man, and
Baby I really go for you,
so stay sweet always.

Dedication

We dedicate this book to three teachers who have taught us well, instilled fine ideals, and have given many years of their lives to this school. They are now retiring, to them we say from our hearts, "Thank you."

*Not enjoyment, and not sorrow,
Is our destined end or way
But to act, that each to-morrow
Find us farther than to-day.*

Mr. Bellus has devoted thirty-three years of hard work to Berkeley High. He has taught sheet metal, art metal shop, mechanical drawing, boat shop, and general shop. For the last seventeen years he has been counselor besides being a teacher of Industrial Science.

Mr. Bellus attended the University of California, at Berkeley, where he majored in chemistry. Later he received his Bachelor's Degree from the University of California, at Santa Barbara. Mr. Bellus, a seafaring man, coached an eight-man crew, directed the B.H.S. Sailing Club, and, at one time, directed the U.C. Girls Sailing Club.

He owns a farm in the Napa Valley, where he raises Black Angus cattle. Upon retiring he plans to return to the farm and to build boats.

In 1936, Berkeley High welcomed a new teacher, Mrs. O'Neill. In the years to come her name became synonymous with the outstanding and always popular noon concerts which she produced. She comes from a musical family. As a member of the Harpist Club she displays her talent as a fine harpist. Mrs. O'Neill's college years were spent at the Julliard School of Music, Mills College, and the University of California.

Mrs. O'Neill's friendly disposition is brought out not only in her personality but in her nicely kept classroom. Saint Patrick's Day wouldn't be the same without the overflowing enthusiasm shown by Mrs. O'Neill. She makes sure that the tradition of wearing green is not forgotten and that this is a day to remember.

Easy going, soft mannered Elgin Erickson came to Berkeley High from Utah, in 1926. A graduate from Utah State, he received a Bachelor's Degree in Physical Education. While in college, he was active in athletics.

Besides being a gym teacher, he has coached Varsity Football, B Football, Varsity Baseball, Cross-Country, and B Basketball. Mr. Erickson's coaching career has been quite successful with over one hundred wins as compared to few losses. Untiring devotion to his job has brought forth four B.A.C.A.L. championships out of the last five, winning the last two consecutive years.

After he retires, Mr. Erickson, a tremendous fly fisherman, will probably be seen fishing at his favorite stream. A long life of devoted service and loyalty to Berkeley High have won him the affection of his students.

*Let us then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing
Learn to labor and to wait.*
—Longfellow.

BERKELEY HIGH SCHOOL

SPRING • 1961

Principal's Message

As a result of the defeat of the school bonds on April 4, Berkeley High has a rough road ahead. We are all going to have to make the best of the situation, and hope that the future will unfold a path of richer opportunities. We must never lose sight of the fact that defeat is only temporary and that great achievements are the results of continuous efforts for what we believe to be right.

Due to a lack of space in classrooms, yards, cafeteria, hallways, and the campus in general, an unusual responsibility will be placed upon each individual student next year. The more crowded our school becomes, the greater is the need for regimentation and individual responsibility.

I urge each of you to give serious thought to your role as a member of our fine High School Student Body upon returning next September.

Congratulations to our graduating seniors. We are counting on them to uphold Berkeley High School's enviable record, which has been well established over the years.

May I sincerely thank all students, staff members, and parents for making my first year at Berkeley High very interesting, challenging, and enjoyable.

Emery J. Curtice

EMERY J. CURTICE,
Principal

Foreword

As you go through this Pod, you will notice that the sand in the hourglass at the beginning of each section gets lower and lower and finally runs out. Yet this is not the end, for the hourglass can be turned over and a new start can be made. The three years spent at Berkeley High constitute only one "footprint on the sands of time," only one turning of the hourglass. But this one footprint is extremely important for it is the foundation that enables the graduate to go forth and make contributions to the world, to make lasting footprints that will keep his memory bright and strong.

A school progresses with its students, and their progress is marked in many ways, among which is their memory or yearbook. This is the last Pod for the graduating class of June, 1961, this and five other Pods have marked their progress. They have progressed with Berkeley High for three years, but now the sand has run out for them, the hourglass must be turned over, and a fresh start must be made.

A Pod, however, is more than a record of progress, it is a symbol of three of the most important years of a person's life. Here is one more semester of your life, one more book of memories that can be kept and looked back on. For those of you remaining at Berkeley High, add this Pod to your collection and when the sand has run out for your class, the break with Berkeley High will not be so hard, for you will have your memories as the class of June, 1961, now have theirs.

I wish you success and happiness. May the footprints you make be deep and lasting and may your hourglass have many turnings.

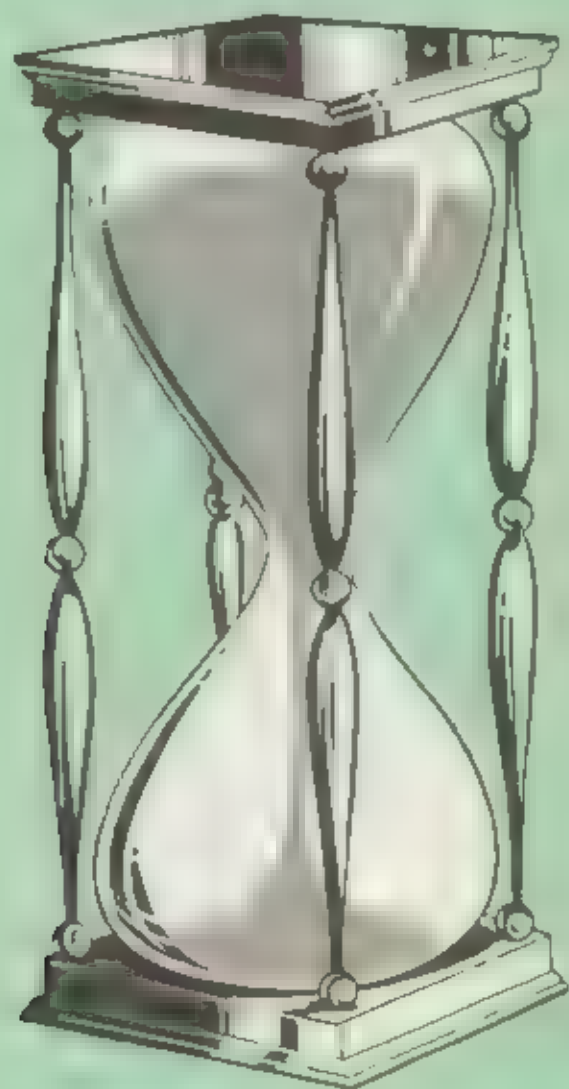

It was an honor and a pleasure to serve you.

Basketball

The varsity basketball team completed a very successful season by tying for second place in the ACAL and winning the Gridley Invitational Tournament.

The team was rated fourth in Northern California at the end of the season and compiled an eighteen and six record.

Center Ira Lee was selected to the All-ACAL team, Gazette All-Star Area team, and the Gridley All-Star team. High scoring guard Mel Pierre was All-ACAL second team, All-Area second team, and Gridley M.V.P. Forward Norm Randolph also received all-ACAL second team, All-Area second team, and Gridley All-Star honors.

P R E S I D E N T ' S M E S S A G E

We the students of Berkeley High can justly be proud of our school for unquestionably we have one of the Nation's best. Year after year we receive national and state wide acclaim for our high educational standards. We have always produced winning teams, and our musical and theatrical groups have brought the school national and even international recognition.

This past semester has been one of particular success. There was keen and spirited competition between the classes, our school dances were well attended, our basketball team won the Gridley Tournament, the spring sports received more support than in the past, the Senior Play was a smashing success, the tradition of an evening Varieties Show was revived, and the BOC staged a fund raising project which earned several thousand dollars for the school.

There were several reasons why B.H.S. was so successful this semester. The BOC was a hard working group. All of its members sacrificed their time and pleasure to do the best job possible.

The faculty also helped in many ways. The guidance of Mr. Neason and Mr. Curtice and the cooperation given us by Mrs. Schwimley, Mr. Ehlers, Mr. Osterstrom and Mr. Lutt were vital factors in determining the outstanding success of this semester.

However, it goes without saying that none of BOC's programs could have been successful without the support and cooperation of all the student body members. Remember, the success of our school lies in your hands. Keep giving Berkeley High the support you have shown this semester and in the past, and Berkeley will remain the great school that it is.

SENIOR CLASS MESSAGE

President Kennedy has recently issued a challenge to us, the youth of America, to join the battle against the threat of Communism throughout the world. He realizes that the state of both the nation and the world during the next generation depends on us, the adults of tomorrow.

The challenge of Communism is the largest hurdle we must face in the future. This problem is now ours, and if we fail, there won't be a second chance.

Will we successfully meet this task and others which will confront us in future years? This question is unanswerable, but the preparation we have received at Berkeley High School will give us the initial step to success. Here we have learned the most useful and worthwhile lesson of our lives: to unite, regardless of race or religion, in order to meet and hurdle the barriers we face. Now that we have the initial step, we must not falter. Our three years at Berkeley High School can be the backbone of our future lives. Let us stand tall. Let us march on.

Dear Donald,
It's been well fun
knowing you for
this semester. And
I hope our friendship
will continue to last
your friend Ade
"Sheryl"

"SAVE"

Dear Donald;

To say we have been friends will probably be too hard to say. There is nothing would want better than to be your friend, but as you know faith falls in all forms.

You call me slim, that was sweet, not cruel at all.

You're my ^{pal} no matter what because you've got what it takes. "Plenty of smile".

You've taken my nickels but that doesn't worry me, because because you're always given them back.

I'm wondering now if I should say "go to H377", but why, aren't we friends. SHAVE

You're "slim" I'm "slim" every one is slim in our books.

Keep cool in all situations no matter what anyone may say. Have a "yammie" time no matter what happens.

If I don't see you again just remember we're still friends.

Love always, deeply
Madeline Spencer

P.S. Hey Slim

You better not say you won't write when I leave this place. I won't to hear from you always.

"SAVE"
